#### **TONIGHT'S GUEST SPEAKER:**

Anna Risan came to MN from Phoenix about 17 years ago with her husband and two children and started working in greenhouses. She started creating fairy gardens about 8 years ago and was instrumental in developing fairy garden departments and giving seminars.

Her fairy gardens have been displayed at the MN Arboretum and in many magazine articles. She is currently employed by Terra Garden Center in Lakeville where she gets to continue doing what she loves. She enjoys introducing fairy gardening to people of all ages and helping them to create their own miniature gardens.

Her topic is "Fairy Gardens".
